POLICY

Foster parents will be reimbursed for reasonable long distance charges that they incur as a direct result of caring for the child Camelot Community Care, Inc. has placed in their home.

PROCEDURE

1. To seek reimbursement, foster parents must complete a **Check Request form** according to form instructions and attach a copy of the entire telephone bill. Qualified long distance charges for which the foster parent is seeking reimbursement must be clearly indicated (circled, highlighted, etc.). The foster parent must sign the completed form and submit it to Camelot's Utilization Management Unit (UM) for review and approval.
2. A service authorization form will be generated and attached to the request and forwarded to accounts payable for payment. Continued long distance charges must have prior Camelot UM approval before charges are incurred by the foster parent.
3. Expenses of this nature will be reimbursed in a prompt and timely manner to assist our foster parent for caring for children placed in their homes for care.
4. Request for reimbursement that are incurred due to a foster child improperly using long distance phone or internet service providers must be filed unit AP 444, Foster Parent Damage Claims Reimbursement.
