grateful

Hello Nadereh, March 6, 2018

I wanted to write you on behalf of myself and Jose and thank you for all of your support. After just 2 years of wrestling Jose finished 2nd in the State Championship. This is an amazing accomplishment. Thank you for everything.

Guy,

I'm speechless and so proud of Jose. Let's set the record straight, Jose is where he is because of you and the fact that you believed in him, advocated for him, and of course his own determination and hard work.

I am so happy for you all and so glad we could help in a small way. You have been such an amazing dad to so many of our teens.

God bless you and keep you,
