

Children's Network Thanks

Our Donors:

All the gifts have been opened, the food has been eaten, the decorations are being packed away and another holiday season is just a memory for most of us. At The Children's Network of Southwest Florida, we would like to hold on to that memory a little longer and remember the people who helped to make this a joyous time for our kids. The donors and volunteers listed below gave their time and hearts and made over 1000 children very happy this holiday season and for that we say THANK YOU!!
