

THERAPISTS JOIN OUR TEAM

Devereux Advanced Behavioral Health, founded in 1912 by special education pioneer Helena Devereux, is one of the largest and most advanced behavioral healthcare nonprofit organizations in the country. We serve many of the most vulnerable members of our society in the areas of autism, intellectual and developmental disabilities, specialty mental health and child welfare. Informed by the latest advancements in science and medicine, we combine evidence-based interventions with compassionate family engagement to help change lives.

We are guided by our mission:

To change lives by unlocking and nurturing human potential for people living with emotional, behavioral or cognitive differences.

We are looking for dedicated, energetic education professionals with a passion to empower children and adolescents. We are offering multiple opportunities in a variety of settings to match your career interests.

What Devereux Advanced Behavioral Health Offers:

- A chance to make a significant impact in the lives of children in the foster care who have severe behaviors due to trauma
- Opportunities to participate in multidisciplinary treatment team for one of the largest non-profit behavioral health organizations in the state
- Full, Comprehensive Benefits including low-cost, high coverage health insurance, generous time-off, competitive retirement, non-profit student servant loan forgiveness, voluntary benefits, AND MORE!
